About the CJCA

Name of Association

The name of this association is the California Junior Cowboys Association.

Aim & Purpose

The aim and purpose of the California Junior Cowboys Association (CJCA or Association) is to provide educational and charitable opportunities for the youth of our communities through the sport of rodeo. We maintain high standards for citizenship, the development of healthy relationships, and we provide the necessary organization, and structure, to ensure rich learning opportunities for all of our members and their families. A high priority of the CJCA is to ensure humane treatment of animals at all times, and to develop and improve horsemanship skills and animal husbandry among our members.

To realize our purpose, CJCA has been organized around a goal to provide charitable and educational opportunities for children while promoting the highest level of conduct and sportsmanship through the sport of rodeo. We accomplish this while keeping the western heritage and the sport of rodeo alive in America. Our rodeo season begins as early as January of each year and concludes with a final event in early to mid-summer. The CJCA will provide eight (8) to twelve (12) rodeo events throughout central California each year and will conduct regular open board meetings throughout the year to review our purpose, evaluate our progress, and ensure that we continue to promote healthy relationships among the people interested in the sport of rodeo and the organizations that they represent. Funding is secured through membership dues, sponsorships, donations, and funds generated at each event. No part of the net earnings of the Association shall inure to the benefit or be distributed to its members, trustees, officers or other persons, except that the Association shall be authorized

About the CJCA

and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purpose set forth.

As stated above, the California Junior Cowboys Association is organized exclusively for educational and charitable purposes under Section 501(c)(3) of the Internal Revenue Code.

Upon the dissolution of the organization, assets shall be distributed for one or more exempt purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government for a public purpose. Any such assets not disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the organization is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

Membership

Membership shall be for one (1) calendar year only and must be renewed each year. Annual membership fees to the California Junior Cowboys Association (CJCA or Association) are \$120 per contestant (child) each membership year.

In addition to annual dues, each member is required to collect \$200 in sponsorships in order to be eligible to receive year-end awards. Sponsorships are due no later than March 1 of each year. Only contestants who have paid their membership dues AND fulfilled their sponsorship requirement by the March 1 deadline will be eligible to receive a sweatshirt as a membership gift. Sweatshirts will be distributed at the Rodeo Office during the second rodeo of each year. All sponsorship money will go into the General Fund and will be allocated for general operating expenses, equipment needed for the rodeos, and awards as approved by the Board of Directors.

1. Membership fees must be paid prior to entering the contestant's first rodeo of the season.
2. Day memberships may be purchased in order to compete at each rodeo. Day members WILL NOT accumulate points towards year-end awards, and are not eligible to enter the CJCA Finals Rodeo.
 - a. It is at the Board of Directors' discretion to NOT offer Day Memberships or allow non-members to compete during a rodeo season.
3. Members shall not be older than 19 years old by January 1 of the current rodeo season. The contestant's age on January 1 will determine their age group. A member can choose to move up in an older age group in all events but cannot change during the rodeo season. Contestants may not move down to a younger age group.
4. Members and/or their parent/guardian must volunteer a minimum of five (5) times for five different rodeo events or volunteer jobs during the

Membership

rodeo season in order to be eligible for year-end awards. Failure to fulfill the volunteer requirement, such as not signing up, not completing the minimum number of volunteer times, not showing up, or leaving early will require members to regain their year-end awards eligibility by collecting garbage around the arena, stands and in the parking areas after a rodeo has concluded.

Termination of Membership

- The CJCA Board of Directors may terminate the current membership of any member or deny renewal of membership of any member for the year, or indefinitely based upon the following grounds:
 - Use of alcohol and/or drugs, fighting, harassing officials, non-payment of entry fees or bad checks.
- The CJCA Board of Directors shall cause notice of the Association's intention to terminate membership of the member and the grounds for termination, addressed to the member and to the parents/guardians of the member in writing by ordinary mail to their most recent mailing address on file with the CJCA. Within ten (10) days after mailing of the Notice of Intention to Terminate Membership, the member or parents/guardians of the member, may reply to the CJCA to contest the action. If no reply is received by the CJCA Board of Directors within ten (10) days, a second and final notice of termination of membership or disqualification from participation in the following year shall be sent to said member or parents/guardians.
 - If a reply to the CJCA Board of Directors' Notice of Intention to Terminate Membership is received by the Association within the ten (10) days contesting the termination, or putting any of the matters in the notice at issue, the CJCA Board President or Rodeo Secretary shall set a

- If the charges are sustained, the Association Directors shall notify the contestant of the termination of membership. If charges are not sustained, the membership shall not be terminated.

Social Media Policy

The CJCA shall have the authority to require signature agreements to Social Media Policies for members and their parents/guardians as a membership requirement. The policy's purpose is to protect the membership association and its official representatives from inaccurate, detrimental, threatening, harassing and derogatory information, as well as from creating unauthorized websites and social media accounts utilizing the association name, whether directly or indirectly.

As a condition of membership in the CJCA, it will be required that members, parents and adult non-parent associates of members agree not to post online any comments about the California Junior Cowboys Association and/or its official representatives that are inaccurate, detrimental, threatening, harassing and/or derogatory, as well as to agree not to create unauthorized websites and social media accounts utilizing the CJCA name, whether directly or indirectly. Failure to abide by this agreement by either members, parent/guardian(s) or adult(s) associated with members will result in the immediate revocation of all memberships in the California Junior Cowboys Association, including any points awarded in the current rodeo season. This revocation of membership shall not, however, preclude the California Junior Cowboys Association from bringing a claim against an adult member associate, parent/guardian or a parent/guardian on behalf of their minor child(ren) who is a member(s), for appropriate damages caused by the actions of either the parent, adult non-parent or member.

Conflict of Interest Policy

Article I. Purpose

The purpose of the conflict-of-interest policy is to protect this tax-exempt organization's (Organization) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Board of Directors

Article II. Definitions

1. Interested Person: Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
2. Financial Interest: A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
 - a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
 - b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
 - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III. Procedures

1. Duty to Disclose: In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists: After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.
3. Procedures for Addressing the Conflict of Interest
 - a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
 - b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
 - c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
 - d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

Board of Directors

4. Violations of the Conflicts of Interest Policy
 - a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
 - b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV. Records of Proceedings

The minutes of the governing Board of Directors and all committees with Board-delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V. Compensation

1. A voting member of the governing board who receives compensation, directly or indirectly, from the CJCA for services is precluded from voting on matters pertaining to that member's compensation.

2. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the CJCA for services is precluded from voting on matters pertaining to that member's compensation.

Article VI. Annual Statements

Each Board of Director and member of a committee with governing board delegated powers shall annually sign a statement which affirms such person:

1. Has received a copy of the Conflict-of-Interest Policy (Policy),
2. Has read and understands the Policy,
3. Has agreed to comply with the Policy, and
4. Understands the CJCA is charitable and to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Article VII. Periodic Reviews

To ensure the CJCA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

1. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.

Board of Directors

Article VIII. Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, the CJCA may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

- The purpose of the Arena Director and Event Director is to ensure that the rodeo is conducted in accordance with the CJCA & NHSRA Rulebooks, and in the best interest of the CJCA contestants. This includes communication, direction, and support for event directors and volunteer personnel overseeing an event during the rodeo.
- The stock contractor and host committees will abide by the Event Director's decisions. It shall be the Event Director's responsibility to see that contestants compete on the stock drawn for them.
- The Event Directors will inspect stock prior to the start of the rodeo for the event they are directing. The Event Director shall determine any undesirable conditions. An Event Director may declare particular animals unsatisfactory. Upon notification, either written or verbal, the Contractor shall eliminate such animal from the competition draw. If it is determined by the Event Director or CJCA Board, that the stock available presents an unusually dangerous or unsafe condition or risk to the contestants, and no other suitable stock is available, they may draw the contestants out of the event and will reimburse entry fees to the contestants.

Rodeo Secretary

- Only the Rodeo Secretary and official assistants may accept entries for a rodeo. The Rodeo Secretary will conduct a random draw for all positions prior to the start of the rodeo. All entries will be due two weeks prior to the day/days of the rodeo. All entry fees received must be postmarked before the due date. A late fee of \$25 per contestant will be charged for those

who do not submit their rodeo entry two weeks before the rodeo. It will be an online entry only and must be submitted ten (10) days before the rodeo. All rodeos will be pre-entered only. No same-day entries will be accepted. See “Drawing of Positions” for protocol followed for draw-outs and medical/veterinary excuses.

The decision of any Judge, Flagman or Timer will be final and no protest by contestant will be permitted, except first through the Event Director. If the Event Director determines that the protest is based upon a possible misinterpretation of an event rule, the Event Director, at the first convenient opportunity, will describe the protest and the interpretation of the rule upon which it is based to the Judge. If the Judge agrees that an erroneous ruling was made and that the error is correctable, then the Judge shall modify the ruling accordingly. Otherwise, the decision will stand as ruled. A Judge will conduct themselves in a manner fitting and proper to one afforded the honor of officiating at any CJCA approved rodeo.

- Any misconduct on the part of the Judge at any CJCA rodeo, such as drinking immediately prior to or during the rodeos, the use of abusive language, showing obvious favoritism, or discrimination against, either an individual or a horse performing in the contest, or any misconduct unbecoming to one in their position, will make them subject to a complete and impartial hearing of cause of the complaint before the committee.
- The CJCA may pay a daily rate if Judges and Flaggers have professional qualifications or experience.

Stock will be drawn for all entered contestants unless he/she has been officially disqualified or drawn out of the event.

- Stock for re-rides must be drawn before the rodeo and must be posted.

General Rodeo Rules

- No contestant will ride two (2) head in same event, in the same day except for re-rides. Any stock in original draw that is turned out will be used as a re-ride. A re-ride animal may be drawn from the unused stock before end of event in which re-ride is given.
- An animal can be drawn as a re-ride only one (1) time in a rodeo.

Drawing Out of an Event

- There will be no drawing out after position or stock is drawn unless contestant has a signed medical note from a doctor prior to the performance.
- In order to receive 100 percent refund of entry fees, contestant must draw out before stock is ordered. If contestant draws out after the stock has been ordered, but within 48 hours of the rodeo, the contestant is still liable for the livestock fee and a \$5 office fee.
- If a contestant is unable to compete at a rodeo because of sickness or injury that occurred away from any rodeo, their entry fees may be refunded if this action is approved by one (1) association official and a doctor's note. Such a refund can be made only before awards have been paid out in said event. Stock fees are non-refundable.
- If a team roper draws out in accordance with the rules of the Rulebook or does not appear before the performance begins in which they are to compete, the person entered with them may draw out or get another partner from among the contestants entered in the rodeo. The partner not appearing for the rodeo will be fined the amount of entry fees, and it must be paid before contestant is allowed to compete in any other events at that rodeo or future CJCA rodeos.

In the situation where an entered contestant's partner must draw out due to a medical reason on the day of the rodeo, the entered partner will be eligible to draw out and receives entry fees back, or may draw a partner from the eligible partners (anyone entered in the rodeo in that division). If the partner elects to still compete, the Rodeo Secretary will draw them a partner from the remaining names on the ghost partner list. They may not select their own replacement partner. If all team ropers are entered twice and no other contestant is able to enter with the contestant needing a partner due to the medical draw out of their partner, the contestant will draw from the ropers entered. The drawn partner will receive jackpot money only if it is a third run for that partner. No points will be awarded for a third run for any contestant.

Turn-Out Due to Medical or Veterinary Reasons

Any contestant who scratches from an event prior to the start of the rodeo in which they are scheduled to compete are still liable for the livestock fee and a \$5 office fee. A doctor's note or veterinarian's note must be presented to the Rodeo Secretary to excuse the contestant from further competition.

A contestant with a visible injury or illness may turn out of an event at a rodeo without a doctor's written note provided notification of such turn out is authorized by a Judge or Director at that given rodeo. Any contestant who has been injured and has received medical care at a hospital or urgent care facility must have a doctor's release before the contestant is allowed to resume competition, including in future rodeos. If a contestant has presented a doctor's release to turn out of a rodeo, they must present a release to resume competition.

Should the barrier break at any point other than designated breaking point, the decision is up to the Barrier Judge. If contestant obviously beats the barrier, but the staples are pulled or barrier rope is broken and string unbroken, barrier judge may assess a 10-second penalty. - It is up to the contestant to supply their own pusher if they deem it necessary. If any part of the pusher breaks the plain of the chute gate before the calf releases the barrier, the contestant receives a no time.

If the pigtail is carried more than 10 feet from the pin, the barrier may be waived, providing the contestant did not obviously beat the barrier.
- However, if the contestant has obviously broken the barrier you may still impose a beating- the-barrier penalty.

Rodeo Event Rules

- Should the barrier break at any point other than designated breaking point, the decision is up to the barrier judge.
